

# COLLABORATION EVENTS

Crane Regional Defense Group hosts events throughout the year to increase collaboration and innovative thinking between NSA Crane and its surrounding communities.

## Key Leader Series

This event brings together defense industry peers, elected officials, small businesses and community organizations to hear from influential keynote speakers on topics related to Naval Support Activity Crane and its missions.

## Connect to Crane

The event creates a space for small businesses that are developing cutting-edge innovations to network with strategists, contracting officials, policymakers, and local defense and business leaders.

## Congressional Reception

The networking event is a precursor to the NSA Crane Congressional Breakfast on Capitol Hill. CRDG officers and members are available to discuss their role in the southern Indiana community as a grassroots effort to expand community support and advocate for Crane at the local and federal level.

## Connect to Mission

CRDG sponsors Connect to Mission events to assist current or prospective businesses (small, large, or non-traditional) with understanding the needs of NSWC Crane's mission areas.
